

# 100 YEARS AND WE'RE JUST GETTING STARTED

SINCE  
1923

RED KAP.  
1923

## **WE GET TO WORK.**

We get to work with our hands.  
We get to work on a team.  
We get to work with a smile on our faces  
and a fire in our bellies.

## **WE GET TO BE BRAVE ENOUGH TO SUCK AT SOMETHING NEW.**

To figure it out as we go.  
And then to mentor someone else  
brave enough to suck at something new.

We get to work fired up before sunup  
and come up with new ways  
to make a long day go down easy.

## **WE GET TO WORK INSIDE, OUTSIDE, UPSIDE DOWN.**

We get to do things that can't be taught in a lecture hall.  
Or on a conference call.  
But are learned in the field, in kitchens, in garages.

We get to know our way around metric and standard.  
Stick-to-itiveness and shenanigans.  
Crunch time and happy hour.

# WE GET TO WORK WITH UNDERDOGS WHO OVERDELIVER.

Perfectionists who happen to be pranksters.  
The crew who stayed late last night  
so you could blow off early today.

We get to work on cars and cakes  
and buildings and brakes.  
We get to work on timelines and tan lines  
and production lines and punchlines.  
We get to work on dipsticks and French dips  
and flagships and friendships.

## YOU WON'T HEAR US BELLYACHING, JUST BELLY LAUGHING.

You won't find us phoning it in because this is our calling.  
You won't see us slacking because we get to work.

And we find reasons to celebrate when the day is done.  
Because after all – teamwork without the team is just work.

We don't just have to do this.  
We get to.  
And we love it.

# WE GET TO WORK.

# CUSTOMIZATION

**CUSTOMIZE IT!**

## LET THE WORKWEAR DO THE TALKIN'

Every workplace has its characters. With customization, you can get them prime time-ready in just a few clicks. Name, company, color, the flag, the works. Everything a growing team needs.

## **TEXT EMBROIDERY**

Choose from a variety of fonts, sizes and thread colors to embroider names, titles and more.

## **NAME BADGES**

Select your preferred patch style, thread color and font to make names stand out.

## **LOGO EMBROIDERY**

Upload your logo for direct embroidery with a one-time digitization fee.

## **AMERICAN FLAG**

Show off your pride with American flag patches.

# PRODUCT INNOVATIONS

## MIMIX

Let loose. Stay loose. MIMIX puts flex panels where you need them. Stretch, twist, and pull without the rips, tears, and snares.

### MEN'S RED KAP® WORK SHIRT WITH MIMIX

Short & Long Sleeve, Pgs. 14-15

### WOMEN'S RED KAP WORK SHIRT WITH MIMIX

Short & Long Sleeve, Pg. 86

## OILBLOK

Long live workwear. Stains suck the life out of uniforms. OilBlok keeps your workwear out of early retirement by making sure they never happen.

### MEN'S PERFORMANCE PLUS SHOP SHIRT WITH OILBLOK

Short & Long Sleeve, Pgs. 20-21

# ANSI CLASSIFICATIONS

ANSI/ISEA 107  
compliant safety  
garments are  
classified as follows:

## TYPE O, CLASS 1

Intended for use in environments where there are struck-by hazards from moving vehicles, equipment & machinery not operating on public access rights of way or temporary traffic control zones.

- Parking/Service location workers
- Warehousing
- Oil & Gas extraction workers
- Refinery workers
- Mining

## TYPE R, CLASS 2

Intended for use by personnel exposed to vehicular traffic from public access rights of way or roadway temporary traffic control zones. Class 2 garments require the use of greater amounts of high-visibility materials which help distinguish between a human and an inanimate object.

- Forestry operations
- Ship cargo loading operations
- Roadway construction
- Utility & railway workers
- School crossing guards
- Delivery vehicle drivers
- High volume parking and toll gate personnel
- Airport baggage & handlers/ground crew
- Trash collection & recycling operations

## **TYPE R, CLASS 3**

Intended for use by personnel exposed to vehicular traffic from public access rights of way or roadway temporary traffic control zones. Class 3 garments mandate an even higher standard of visibility for workers in moving, complex backgrounds.

- **Roadway construction personnel & flaggers**
- **Utility workers**
- **Survey crews**

## **SUPPLEMENTAL, CLASS E**

Pants, bibs, overalls, shorts and gaiters meeting minimum area requirements for background material and retroreflective trim. Class E apparel, however, cannot be worn alone to provide adequate visibility of workers. When Class E items are worn with Performance Class 2 or 3 apparel, the overall classification of the ensemble is Performance Class 3.

## **TYPE P, CLASS 2 & TYPE P, CLASS 3**

Intended for emergency responders and law enforcement personnel in environments with struck-by hazards from traffic operating on public access rights of way or temporary traffic control zones.

- **Police officers** • **Sheriff** • **Fire responders** • **EMS**

# HOW TO MEASURE

## MEN'S MEASUREMENTS

## WOMEN'S MEASUREMENTS

**A - Neck**

Measure around the base of your neck where a collared shirt would fit; or measure a collarband of a shirt that fits you well. Lay the collarband flat. Measure from the beginning of the buttonhole to the center of the button.

**B - Trunk**

Measure from the base of the neck (front) down around the crotch and back up to the bottom of the collar. For coveralls only - see diagram.

**C - Chest / Bust**

Measure at the fullest part of your chest / bust. Hold the tape firmly, but not tightly. Be sure the tape is level and straight across your back. Stand naturally with your arms down by your side.

**D - Waist / Mid Section**

First, remove your belt. Then measure over shirt (not over pants) at the position you normally wear your pants. Hold the tape firmly, but not tightly. Note - For shirts and coveralls, measure the largest portion of the mid-section.

**E - Hips**

Stand with your heels together. Measure around the fullest part of the hips. Hold the tape measure straight and level.

**F - Thigh**

Measure the circumference of the upper leg close to the crotch (approximately 1" below crotch).

**G - Knee**

With the leg straight, measure the knee circumference over the knee cap and parallel to the floor.

**H - Calf**

Measure the circumference of the largest part of the lower leg approximately half way between the knee and ankle and parallel to the floor.

**I - Ankle**

Measure the ankle circumference over the ankle bone and parallel to the floor.

**J - Upper Arm / Bicep**

Measure the maximum circumference of the upper arm just below the underarm.

**K - Forearm**

Measure the maximum circumference of the forearm at approximately 6" above the wrist.

**L - Cap / Hat Size**

Measure the circumference of the head at its widest diameter, approximately 1/8" above the ears.

**M - Sleeve**

Bend the elbow as shown (see M). Start at the center back neck and measure across shoulder to the elbow and down to the wrist bone.

**N - Across Shoulder**

While standing with arms down, measure across the back from one shoulder joint to the other.

**O - Wrist**

Measure the wrist circumference over the wrist bone.

**P - Height**

Stand straight against a wall without your shoes. Make a mark level with the top of your head. Measure from this point down to the floor.

**Q - Inseam**

Standing straight, measure the distance from the crotch to just below the ankle bone. **Or** - using similar style pants that fit you well; lay garment flat and with the front and back creases smooth. Measure the inside seam of one leg from the bottom of the hem to the crotch (see Qb).

**R - Overarm (Blazers)**

With arms at the sides, measure around the broadest part of the shoulders and upper arms, keeping the tape level at all times. If overarm is more than 7" larger than the chest, go up one size.

**S - Outseam**

Measure along the outside of the leg from the top of the waistband to the bottom of the hem or just below the ankle bone.

**Sa - Outseam on Garment**

On an existing garment: lay garment flat, measure along the outseam from the top of the band to the bottom hem.

**T - Front and Back Rises**

**Front** - this is the distance from the center front at the top of the waistband to the intersection of the crotch seam.

**Back** - this is the distance from the center back waistband to the intersection of the crotch seams.

# 100 YEARS OF TEAMWEAR

CAUTION: Garments contained in this catalog meet government flammability Class 1 requirements but do not provide protection from ignition sources, molten substances or chemical exposure. Special flame-resistant garments are available if required.

Product images and fabric swatches shown here are photomechanically reproduced. As a result, colors may vary from actual fabric samples.
